

GUS 'BUSTER' HAMER

MEET BUSTER

Gus and his dad have been attending the NASCAR races every summer since he was 2 years old. After a few trips to K1 in Nashville with his parents, Gus began asking questions about ways he could get behind the wheel and REALLY race.

In the summer of 2023, we attended the NASCAR race weekend at Nashville Super Speedway and found Music City Quarter Midget Club. After attending an Arrive and Drive, he was bit by the quarter midget bug!

That led mom and dad to research and build his first car, updating a little at a time and borrowing trailers to make events. Gus performed well above his ability against drivers with much more resources.

Gus has really learned a lot about good sportsmanship, dedication to practice, and what it takes to maintain his car.

Gus enjoys driving anything with wheels, playing outside with his little brother, and going to the K1 track in Nashville!

SCHOOL

Perfect Attendance
Mastering All Subjects

CHARITIES

MCQMRA Annual Charity Event 2023
Lebanon Christmas Parade 2023
Mt. Juliet Christmas Parade 2023

RACING STATISTICS

WINS: 1

TOP 10: 5

TOP 5: 5

TOP 20: 5

Even though we joined late in the season (4/5) races, Gus made it to the podium! We're so proud of his hard work on the track, and we love watching him grow in the sport!

For his first race, he worked his way from 8th to finish 4th! During practice of his second race, he had a big wreck and flipped his car; however, he still managed to come in 2nd in spite of driving in imperfect conditions. At his third race, he got his first win! He finished his fourth and fifth races in 3rd place!

Since we had a positive end of the 2023 season, we will be moving Gus up to the next class with the club for the 2024 season! Along with our local races, we would also like to attend several of the out of state races with the Dixie Shootout Series!

MEDIA APPEARANCES

Lebanon Chamber of Commerce Christmas Parade 2023

LET'S WORK TOGETHER

GOALS FOR THE COMING SEASON:

We are hopeful to be at every race MCQMRA has to offer and the team is planning to travel throughout the Southeast to get as much experience and exposure as we can. With your support, this would be possible! We'd love to work with you or your brand!

SPONSORSHIP OPPORTUNITIES:

Top of Hood, Back and Sides of Car are available! We've also upgraded to a new trailer that has plenty of space available, too! \$1,000, \$500, \$250, or \$100

We love being a part of the club, attending events with them, and spending our weekends as a family at the racetrack!
